Open Water

Open Water is the entry level scuba certification course during which you will learn the knowledge and skills to safely scuba dive in open water. When you complete your class you and your buddy will be free to explore and discover the many wonders of the underwater world...

PRE-REQUISITES: 12 years or older and in good physical condition

WHAT YOU WILL LEARN: Your instructor will teach you about dive equipment, the science of diving, responsible diving practices and the environment. You will also learn many skills in the water with practice time for your safety and comfort.

TYPICAL SCHEDULE: Academic sessions, pool, 4 open water dives - weekends or evenings. Custom schedules are available.

Advanced Open Water

Let your underwater adventure continue! Apply your open water scuba skills as you explore new dive sites and activities under the supervision and training of your instructor. Learn which diving specialties interest you, and what type of diving you enjoy most. Gain more confidence and capability.

PRE-REQUISITES: Open water certification, 12 years or older and in good physical condition

WHAT YOU WILL LEARN: As part of your certification, you will complete a minimum of five open water dives including two core dives, navigation and deep diving (up to 100 feet/30 meters max depth), plus three elective dives. You can choose from: night, wreck, drift, underwater naturalist, AWARE-fish id, drysuit, search and recovery and more.

TYPICAL SCHEDULE: Usually two day (weekend) course, 5 open water dives. Custom schedules are available.

Rescue Diver

Test the limit of your abilities while expanding your diving knowledge and experience. This and other continuing education and specialty certification courses are for divers who wish to increase their understanding and enjoyment of diving.

PRE-REQUISITES: Advanced open water certification, current CPR certification, minimum 16 yrs old and in good physical condition

WHAT YOU WILL LEARN: Rescue Diver training will prepare you to prevent problems and, if necessary manage dive emergencies. This course is challenging yet rewarding and will definitely help you gain confidence. It will expand your knowledge and experience level.

TYPICAL SCHEDULE: Usually two weekends, includes academic, pool sessions, two open water dives. Custom schedules are available.
